Re: Designated Deposition Transcripts of Ty Troutman and Joni Falascino
Docket Nos. 2017-207-E, 2017-305-E, and 2017-370-E

Dear Ms. Boyd:

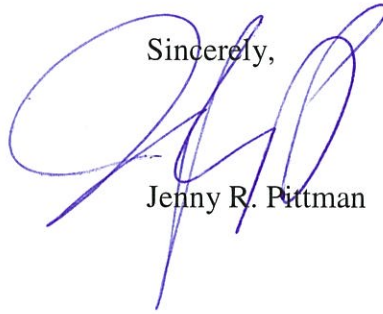

On behalf of the South Carolina Office of Regulatory Staff ("ORS") please find for filing in the above referenced Dockets the following:

1. The deposition transcript and exhibits of Ty Troutman with ORS's designations highlighted in yellow and SCE&G's designations highlighted in blue, which is Hearing Exhibit No. 175.
2. The deposition transcript and exhibits of Westinghouse Electric Company LLC (through Joni Falascino) with ORS's designations highlighted in yellow and SCE&G's designations highlighted in blue, which is Hearing Exhibit No. 179.

In addition to the electronically filed transcripts, ORS will hand deliver nine (9) DVDs, each with a complete set of the video excerpts of the designations referenced above, to the South Carolina Public Service Commission this afternoon. Due to the size of the video files, ORS asks that any party who wishes to be provided with a DVD to contact us.

Additionally, it is ORS's understanding that SCE&G has designated certain portions of Mr. Troutman's deposition that are considered confidential by the Bechtel Corporation. Those designations are not included with this filing, and will come separately from SCE&G should they so choose.

Sincerely,

A handwritten signature in blue ink, appearing to read 'JRP', is written over the word 'Sincerely,'.
